About Audiobulb

Audiobulb Records is based in Sheffield, UK. The label is run and curated by David Newman, whose solo works under the name "Autistici" have been released by 12k, Keshhhhhh, 12 rec & Kikapu. Audiobulb is an exploratory music label designed to promote creativity in all its forms. Releasing works on CD & download formats as well as multimedia works, VST (virtual instruments), audio hardware and other creative tools. The label exists to facilitate the development of new artists working within the realms of care, quality and craft.

Works supported by Audiobulb often explore the interface between the electronic and natural world. We embrace the complexity of unique electronics, intricate acoustics and detailed microsound'.
